

The Outdoors is Your Classroom

SAFELY EXPLORE NATURE IN YOUR COMMUNITY

Colorado Parks and Wildlife (CPW) takes your safety seriously. While educational spaces like our Parks' Visitor Centers may be closed, there are many ways to enjoy nature at your State Parks, as well as your own backyard! Please remember your hand sanitizer and maintain social distancing of at least 6 feet between you and others if adventuring outside.

- **Agents of Discovery** - Did you know you can download this free app on your phone to learn about and explore 13 of our State Parks, as well as other participating sites? Smartphone users can access the missions, which task users with accomplishing educational and fun outdoor activities, by **downloading the Agents of Discovery app** from the [App](#) and [Play](#) stores.
- **CPW Website** – we have plenty of fun and educational content right at your fingertips!
 - [Family Activities Ideas](#)
 - [Geocaching](#)
 - [Colorado Wildlife Coloring Pages](#)
 - [Colorado Wildlife Profiles](#)
 - [Wildlife and Nature Videos](#)
- **CPW Social Media** – Follow your favorite State Parks and Colorado Parks and Wildlife on [Facebook](#), [Instagram](#), [YouTube](#), and/or [Twitter](#). From Facebook Live opportunities to inspiring photos, you can stay up-to-date with what's happening outside. And **please send us photos of your outdoor explorations @COParksWildlife #lifelifeoutsideCO**
- **Nature Scavenger Hunt** – Use the attached sheet to discover the wonders of nature wherever you are!
- **100 Things to Do Before You're 12** – Check-off [Great Outdoors Colorado's list](#) of fun outdoor activities – fun for both kids and adults!
